II. The sale conducting officer may demand an initial deposit from any of the intending bidders.

III. The property shall be knocked down to the highest bidder, who will, as soon as the sale is closed, deposit with the sale conducting officer a sum not less than 25 per cent of the purchase money. The remaining 75 per cent shall be paid into the Honnali Taluk Treasury within 15 days of the date of the sale.

IV. If the purchaser fail to deposit the 25 per cent of the purchase money immediately after the sale is closed the property will be resold at the expense and risk of the first purchaser who will be liable to pay any deficit that may accrue by the second sale, but shall not have any claim for any excess that may be got by the second sale.

V. If the purchaser fail to pay the 75 per cent of the purchase money within fifteen days from the date of sale the deposit of 25 per cent made by him will be forfeited to Government and the property will be resold at his risk.

VI. The sale of the property will not become absolute until it has been confirmed by the Deputy Commissioner who reserves to himself the right to accept or reject the highest bid without assigning any reasons.

C. GOPALACHAR,
For *Deputy Commissioner.*

## WATER-SUPPLY DIVISION.

*Notice dated 19th February* 1916.

1. Notice is hereby given that sealed tenders will be received by the undersigned up to 12 noon of the 14th March 1916, for the supply of the undermentioned article required for use of this division.

2. An approximate estimate of quantities required is given against each item.

3. Each tender must be accompanied by a deposit of Rs. 50 as earnest money and superscribed "Tender for the supply of Petrol" up to end of June 1916.

4. The final acceptance of the tender will rest with the undersigned, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. The name of the successful competitor whose tender has been accepted will be posted on the "Notice Board" in the undersigned's office in the usual course and no enquiries regarding the acceptance or rejection of a tender will receive attention.

6. The successful tenderer should always keep in stock at Bangalore 100 to 150 gallons to answer the calls from this office at any time, failing which the earnest money will be forfeited to Government.

7. The rate tendered for each item shall include cost of delivery at the Stores of Water-Supply Division and not ex-godown.

| Particulars | | Quantity |
|---|---|---|
| Petrol for the use of motor cars | ... | 600 gallons |

JOHN BHORE,
*Sanitary Engineer.*

## MYSORE DIVISION.

*Dated 1st February* 1916.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore Division, up to the 10th March 1916, for supplying wrought iron fencing for use of Town Hall compound, Mysore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of 15th May 1916.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for supplying wrought iron fencing for use of Town Hall compound, Mysore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Estimate of the probable cost of putting wrought iron fencing around the Town Hall Building at Mysore.

| Details of work | No. | Dimensions |
|---|---|---|
| Wrought iron post ... ... ... ... ... | 338 | 8 ($1\frac{1}{2}'' \times \frac{3}{8}''$) |

| Round bars ... ... ... ... ... | 1 | 1350 ($\frac{3}{8}$ dia.) |
| Angle iron posts ... ... ... ... ... | 6 | 8 ($1\frac{1}{4} \times 1\frac{1}{4} \times \frac{3}{8}''$) |
| Wrought iron gate ... ... ... ... ... | No. | 2 |

NOTICE.

Notice is hereby given that the materials of the Police Station building at Kannambodi in the Krishnarajpete Taluk will be auctioned at 12 noon on the 19th March 1916.

Each kind of materials will be auctioned separately that is, Mangalore tiles, reepers, wood work, doors, windows, bricks in the walls, etc., etc.

The materials should be removed from the building by those, who buy the same in auction. The auction will be conducted either by the undersigned or by some other officer deputed by him for the purpose.

One-third of the purchase money should be paid on the date of auction and the remaining before the removal of the materials and this should be done within eight days of the sale.

Y. ASVATHANARAYANA RAO,
*Executive Engineer.*

*Notice dated 8th February* 1916.

Tenders for the purchase of the following are invited so as to reach the undersigned on or before the 5th April 1916.

1. Three hundred tons more or less of 3/o. B. and S. Stranded 98% conductivity hard drawn bare copper cable with hemp core in lengths of 3,000 feet more or less.

2. One thousand seven hundred more or less steel pipes 7" inside diameter, 14 feet long, not threaded at either end. These have been in use for a number of years as pole sockets.

3. Two thousand more or less Jarrah wood poles used with item 2. Drawing can be had on application.

4. Fifty tons more or less of scrap copper.

Each tender should be accompanied with an earnest of Rs. 200 (Rupees two hundred only) which will be either refunded or adjusted towards the value of the materials purchased as the case may be.

TERMS.

1. The quantities noted above are only approximate and the actual may be either more or less. Tenders may be for any part or whole of any or all items.

2. The purchase money should be paid before actual delivery is handed over or in exchange for shipping documents. If desired freight to destination and insurance will be prepaid and charged for at actuals.

3. Tenders will be opened at noon on Thursday the 6th April 1916 and within a week afterwards acceptance or otherwise of the tenders will be notified.

4. The undersigned reserves the right to reject any or all tenders without assigning any reasons nor does he bind himself to sell to the highest bidder.

5. Delivery at our Central Stores, Bangalore City. Packing and loading actuals extra.

S. G. FORBES,
*Chief Electrical Engineer to the Government of Mysore.*
